May 2, 2019

Dear Parents,

I am writing to give you an important traffic update which may affect parents dropping off and picking up children on Tuesday, May 7th. The City of Scottsdale has contracted to have various city streets sealed throughout the next few weeks. **94th Street is scheduled for the sealing on Tuesday, May 7th.** This process normally shuts off the street for the day while the sealant is administered and dries. Both Scottsdale Prep and Archway Scottsdale have been in communication with the slurry sealing company and have tried to coordinate with their team to minimize the disruption this project may cause to our school community. We apologize, as we were not informed the additional road closures on Bahia today.

On Tuesday, May 7th they will start preparing for the work but have promised not to start the sealing process until after our 8:05 a.m. school start time. **After 8:15 a.m. and through the afternoon pick-up, 94th street will become one-way traffic only, heading southbound from Bell Rd.** In that regard, you may have to find other access points to proceed north to Bell Road during afternoon pick-up.

We apologize for the disruption that this street maintenance will cause to you and your family. Of course, we had no control over the timing of this project.

With appreciation for your understanding,

Alison Chaney
