September 6, 2018

Dear Scottsdale Prep Families,

Labor Day always affords an opportunity to consider the many ways that as Americans, we labor to bring strength, prosperity and growth to our society. As a part of Scottsdale Prep's goal to foster virtuous habits in our students, we hope to cultivate our students' willingness to engage in the daily work - the labor that builds character and impacts the greater community. As adults, we know that an education built upon hard work, upon real toil, brings us to realize our full potential and ultimately, our greatest happiness.

We also look forward to seeing the great work of our students in clubs and activities across the campus. Last evening, I witnessed the incredible joy of strong competition in the Varsity Girls Volleyball game – what a demonstration of perseverance and ultimately, triumph! There are a great number of clubs and activities open to our students, and we strongly encourage them to get involved. We have recently opened up the application process for Diakonos, our high school leadership council, and for the first time, our middle school leadership council, the Archons. We hope to see students apply for the councils using the applications that are available at the front desk and in the news blast link.

Best wishes, and Go Spartans!
