Dear Scottsdale Prep Families,

With the beautiful Museia Festival, Coffee House and Junior/Senior “Starry Night” Prom last weekend, our entire community worked together to create yet another special experience for the students. We are so grateful for the efforts of our PSO volunteers, especially Mrs. Kim Gleason and Mrs. Andrea Davis, who organized our Museia festival event. Our artwork from the exhibition is still displayed this week, and it has been such a joy to look at the beautiful work of our students over the course of this year.

The past week has flown by, and we now look forward to the long weekend ahead as a time of rest and relaxation for our community. Today we hosted our first-ever separate middle school and high school pep assemblies – it was a wonderful time to spotlight both areas of our entire campus community. Our high school assembly, led by Blue Crew and Mrs. Hartman, gave tribute to the spring sports teams, and we are proud of our Varsity Spartan teams’ performance leading up to state playoffs. The first-ever middle school pep assembly, led by the Archons and Coach Allen-Lisbon, engaged in some great Spartan Olympics and cheered on our middle school spring sports teams as well.

I trust that everyone will enjoy the long weekend and return refreshed and ready for the short journey to the end of the year.

Best wishes, and Go Spartans!
