Dear Scottsdale Prep Families,

As we move into summer mode, our administration and staff stay busy at school with many tasks to wrap up our school year and plan for 2019-2020. We hope that this summer provides our families with time for rest and relaxation. If you are already turning your attention to next year, our news blast contains many links to upcoming events, supplies and consumable lists, and opportunities for service through our Parent Service Organization (PSO).

I'd like to take this opportunity to welcome our new group of 6th grade and 7th – 11th grade families, who are now receiving our regular news blasts! We are excited that you are joining us next year, and we hope these blasts support your efforts to plan for the coming school year. Please feel free to touch base with Assistant Headmaster [Brett Gilfillan](#) (High School) or Assistant Headmaster [Rich Gale](#) (Middle School) with any questions over the summer.

Best wishes, and onward Spartans!

Alison Chaney
