Dear Scottsdale Prep Families,

As we settle into our first full week of classes at Scottsdale Prep, our classrooms are full of engaged and joyful students. Our clubs, activities and athletics programs are also in full swing as well, which has aided our traffic during pick-up times. We truly appreciate everyone's continued commitment to safety during drop-off and pick-up each day, and I would appreciate any other input or observations you have – feel free to [email](#) me this week.

As we move into the school year, our school will focus our efforts on fostering virtuous habits in and out of the classroom. In that regard, one of our objectives will be *comportment* – the demeanor and bearing of all members of our community. We appreciate your support of this objective in the coming year ahead. I will share more information at our upcoming Curriculum Night, on Thursday, August 23rd at 6 pm. Please be sure to arrive on time, so that you will not miss the wonderful presentations about curriculum from each of your child's teachers. Have two children at Scottsdale Prep? Consider having another family member attend the presentations for one child, while you attend the other.

You will have another opportunity later this year to sit down with the teachers and your child in a student-led conference, but Curriculum Night is the best opportunity you will find to connect with teachers at the start of the year. We look forward to seeing you next Thursday evening, and stay tuned for an email reminder early next week.

Best wishes,

Alison Chaney
Alison Chaney, Headmaster
