Dear Scottsdale Prep Families,

This evening, we look forward to greeting many of you for Curriculum Night, our annual opportunity for parents and/or guardians of our students to learn more about the curriculum at Scottsdale Prep. You will hear from teachers, administration and students about the overall curriculum and student experience. Please plan to attend the entire session from 6 – 7:30 pm. We suggest that you arrive as early as 5:30 pm to pick up your student's schedule(s) before proceeding to the first session at 6 pm. We also encourage you to park at Archway Scottsdale if you prefer, and enter our building from the back doors.

Following Curriculum Night, I hope you will reach out to Middle School Assistant Headmaster [Rich Gale](#) or High School Assistant Headmaster [Brett Gilfillan](#) to share your input or questions regarding your child's academic progress at Scottsdale Prep. We look forward to a successful year for our students through a strong collaboration with administration, parents, teachers and students this year. A truly great education must involve a shared commitment between inspiring teachers, hardworking students and supportive parents, and we thank you for your continued support of this Great Hearts education for your child.

Best wishes,

Alison Chaney
