January 17, 2018

Dear Scottsdale Prep Families,

Please accept our heartfelt gratitude to all of our families for your continued patience and flexibility with traffic. In general, things progressed very smoothly given the many vehicles and pedestrians using the easement this week.

If you did not have a chance to review Tuesday's important email about the new High School Model Refinements for 2019-2020, I hope you will take a moment to read Superintendent Denton's message [here](#). We are looking forward to the implementation of some choices for our seniors next year at Scottsdale Prep, and the refinements to writing and public speaking curriculum in the Humane Letters course will be of great benefit to our students as they progress into college and university. Finally, we will begin diligent work to review and develop an optimal homework load for our high school students, such that it affords them that important time in extra-curricular activities and at home with family.

You are all encouraged to attend an upcoming Headmaster Coffee on Friday, February 1st at 8:00 a.m., should you wish to hear more about the exciting plans for next year. I look forward to hearing your feedback and questions, so please make plans to attend.

Best wishes, and Go Spartans!

Alison Chaney, Headmaster
