April 4, 2019

Dear Scottsdale Prep Families,

With AzMERIT testing in full swing, our campus community is coming together in all areas to support the six days of testing. The use of a mass testing site in our Multi-Purpose Room has enabled us to minimize the impact to instructional time and maintain consistent and efficient testing sessions. We appreciate so much our parent support at home in making sure students have rest and a good breakfast for each of these test days. We are also grateful to our parent lunch volunteers who have adjusted the lunch service during this week.

Next week, our high school juniors will take the SAT as our state standardized assessment, rather than the AzMERIT test. We are grateful that the state has provided a menu of assessments from which schools may choose. Leading up to test day, our team of 11<sup>th</sup> grade teachers provided some vital test preparation for the SAT to further support our juniors in a successful outcome. We look forward to seeing the results later this summer.

As these busy weeks pass by quickly, I hope you will take a moment to visit our [website calendar](#) and mark a few opportunities to see students in action. Whether at our upcoming Spartan Museia on April 12<sup>th</sup>, High School Baseball or Middle School Basketball game, we should not miss these opportunities to see the incredible talents of our students in action.

Best wishes and Go Spartans!
