March 21, 2019

Dear Scottsdale Prep Families,

As we return for the final quarter of the year, our focus will remain on orienting our students toward the virtues of preparedness, comportment, stewardship, conversation, and inspiration. This week we have further highlighted the stewardship of our campus, asking students to maintain clean and orderly hallways free of personal belongings. We appreciate your support in developing these habits at home as well.

The next few weeks will bring standardized testing to our campus with AzMERIT, AIMS and for the first time, the SAT. Our teachers are working diligently to prepare students for the computer-based testing format, so you may hear about some of the preparation at home. We hope to maintain strong attendance for students during these testing dates, and we appreciate your help in making sure students get adequate rest for those two weeks.

Finally, we are so proud of our High School Speech and Debate team, led by Mr. Travis Clement, which took home the State Runner-up Title at last weekend's AIA Division II State Championship Tournament. This is the third year in a two that Scottsdale Prep has placed in the top 2 teams in the State. Congratulations go to our amazing team and to coaches Mr. Clement and Mr. Underdal.

Best wishes, and Go Spartans!
