Dear Scottsdale Prep Families,

As we wrap up our final days of AzMERIT testing, we look forward to resuming our normal course of instruction in the coming weeks. In these final weeks of the quarter, we can look forward to our first ever distinct and separate high school and middle school pep rallies, Academic/Athletic Field Day, and most important, tomorrow's **Spring Museia** festival.

Already the hallways are adorned with displays of the beautiful artwork of our students, and we can look forward to some beautiful musical performances by our recorder ensembles and Coffee House performances. This festival is truly a community event, and in that regard, we encourage everyone to join us tomorrow evening for a fantastic evening with the entire family. The event begins just after 5 pm, so please make plans to join us. You should park either in our lot or in the Archway Scottsdale lot to avoid street parking.

We are so grateful to the efforts of our entire Arts staff, PSO volunteers, and administration in supporting Museia this year, and this year, we have several sponsors that have further supported our efforts to create a special evening. I hope to greet many of you there tomorrow evening!

Best wishes, and Go Spartans!
