May 9, 2019

Dear Scottsdale Prep Families,

Our 2018-2019 school year comes to an end in just two short weeks, and we have many opportunities to celebrate the achievements of our students. Most recently, our undefeated Varsity Boys Tennis team won the AIA Div. III State Championship, under the supervision of Coach Hannah Isaacs, who received recognition as the Div. III Coach of the Year for boys and girls tennis. We are so proud of this wonderful group of young men, who have grown into an outstanding team while also distinguishing themselves as outstanding individual competitors.

The last few weeks will be busy, as students complete final topics in classes and prepare for exams. We encourage you to review the exam schedule posted in this week's blast, to note the start time of 8:15 a.m. each day. We also look forward to upcoming ceremonies to celebrate all students, including 8th Grade Promotion, our Awards Ceremony, and finally, our Senior Commencement Ceremony.

In the midst of these culminating events, we as a school are also reflecting meaningfully on the year and looking forward to the next. In that regard, I would like to reiterate my hope that you will take a moment to complete a final survey that provides our teachers with meaningful feedback about their work this year in supporting your children.

Please take a moment to complete [this survey](#), which will require you to select Scottsdale Prep, and then each individual teacher as you see fit. As a school, we are committed to improving our overall strategies and approach each year, while remaining true to our mission to cultivate students' hearts and minds toward the pursuit of truth, beauty, and goodness.

Best wishes,

Alison Chaney
