Dear Scottsdale Prep Families,

With the Barrett Jackson Car Auction event firmly behind us, we have all appreciated the collaborative efforts of our entire Archway and Prep community in maintaining student safety. Last week we also saw the great results of our student-led conferences, as they put themselves in the driver's seat of their own academic growth. Teachers and parents repeatedly remarked how delighted they were with the format and conversation in these conferences. Thank you for your support of this conference format, and I hope you will reach to me this week with any reflections on your family's conference experience.

This month we begin the enrollment process for our new families for 2019-2020, and we have several upcoming events that will be initiated to support the orientation of these new students into our community. We will offer shadow days for our Archway Scottsdale 5th grade students during the week of February 4th, and we will ask our current 6th graders to be ambassadors during their visits. It's an exciting time at Scottsdale Prep, as we welcome these new families to join us in this classical, liberal arts education. You will also see information in late February about the re-enrollment process for your current Scottsdale Prep student(s).

You are all encouraged to attend an upcoming Headmaster Coffee on Friday, February 1st at 8:00 a.m., should you wish to hear more about the high school refinements that will be implemented next year at Scottsdale Prep. I look forward to hearing your feedback and questions, so please make plans to attend.

Best wishes, and Go Spartans!

Alison Chaney
