Dear Scottsdale Prep Families,

We are headed into a season of thanksgiving for the many wonderful people in our lives – family, friends and colleagues, and here at Scottsdale Prep, we are constantly reminded of the ways in which our parents support the school and staff. Through Community Investment gifts, Tax Credit donations, teacher appreciation lunches, teacher birthday gifts, lunch volunteering, and much more, we are a school that thrives because of the strong collaboration of parents and school. Thank you for your continued support of our teachers, staff and students.

The fall season also begins our open enrollment season for prospective families that would like to apply for the 2019-2020 school year. What a pleasure it is to bring tour groups to our campus to see the school in action, and each time, I witness their delight at the classroom discussions and activities. I hope that you will share information with your neighbors and friends about this classical model of education and encourage them to sign up for a tour and apply online beginning next week.

Best wishes, and Go Spartans!

Sincerely,

*Alison Chaney*
