“Blessing of the Flowers” by Norbert Čapek

Adapted

Minister: Spirit of Life, we ask for your blessing on these, your messengers of friendship and love.

Gathered: May they remind us, even though we have different knowledge and talents, to be united in our desires, love, and dedication to the betterment of the world.

Minister: May they also remind us of the importance of friendship, of doing and sharing together.

Gathered: May we treasure friendship as one of your most precious gifts.
