

Enterprise Computing Community

11th Annual ECC Conference, June 9 - 11, 2019

Marist College, Poughkeepsie, New York

<https://ecc.marist.edu/>

<https://ecc.marist.edu/web/conference2019>

The 11th Annual ECC National Conference will focus on topics of interest for students, faculty and industry professionals including keynote presentations, concurrent technical/educational sessions and panel discussions. Presentations may also cover other topics relevant to enterprise computing.

Themes for the 11th Annual ECC Conference are:

**Technology in Healthcare *and*
Big Data**

**Calling for Papers, Presentations and Panels
for the 2019 ECC National Conference**

Deadline, May 10, 2019

<https://ecc.marist.edu/web/conference2019/call-for-papers>

Join Us for our ECC Monday Evening Corporate Sponsored Event

We have planned a very exciting evening with a **killer-theme**. Anything can happen during the comedic clue-style performance, and everyone in attendance will have the opportunity to solve the case. We expect lots of excitement as we all can become investigators to solve the crime at the **Mardi Gras Masquerade Murder Mystery**.

**A Mardi Gras Masquerade Murder Mystery
Includes an Hour of Networking, Buffet Dinner and
Murder Mystery Interactive show.**

Call for Sponsors

Sponsorship Opportunities are available.

The ECC Conference would not be possible without the support from corporate and academic sponsors. Sponsorship provides your company with the opportunity to maximize visibility and share your products, services or educational programs with the conference participants and members of the ECC community

Please contact **Dede Hourican**, dede.hourican@marist.edu, about sponsorship opportunities for the ECC Conference
