Come and find out how to let your unique light shine in the world!

Lessons in Truth is an exploration of Unity's foundational teachings from a master metaphysician – Dr. H. Emilie Cady. You will discover: humankind's relationship to God, how we block our good, what are denials and affirmations, our own divine nature, our spiritual gifts and how to raise our consciousness to be in alignment with the Divine.

Join Rev. Christine Boylan and Board Members in this interactive class that will encourage discussion, sharing and exploration. If you are new to Unity, the book "Lessons in Truth" will perhaps unveil new ideas and perspectives. If you have been attending Unity for a while or have returned to Unity, this class may be the perfect place for you to go deeper in your faith and understanding.

This class can be used as the Membership Class for those interested in becoming a member of Unity of Greater Hartford.

You may purchase the book online but since it is not copy written you may also download it for free from TruthUnity.net and other online sites.

"We have come to a place now where our search for Truth must no longer be for the rewards; it must no longer be our seeking a creed to follow but it must be about our living a life."
