32. Daily Record 7_27_2024 - <https://www.dailyrecord.com/story/news/2024/11/27/fbi-investigates-after-mystery-north-jersey-drone-sightings/76592029007/>

Many of these led to more newspaper, TV, and digital media placements than may ever be tracked down. We estimate well over 1,200 media publications. As you read through much of what may continue in the media, you may also notice that many edited reports attributed to our institution may not be from Warren County Community College. This report does not include numerous international radio and video placements.
