## Reminders:

\*To keep our students and staff healthy, we ask that you please do not send your child to school if they have a runny nose, cough or fever.

\*Please make sure to check your child's school folder each day

\*Please remember to check our Class Dojo each day.

\*Encourage your child to put on their snow gear independently and cheer them along! Practice makes progress!

## **Benefits of Music for Young Children:**

- Music strengthens a child's ability to recognize small differences between sounds (auditory discrimination). This is an essential skill when learning to read!
- Music supports the development of gross motor skills through dancing and movement.
- Repetition in songs encourages vocabulary growth
- Most importantly..music is FUN! It gives kids a chance to be silly, play, sing and just be kids!

## Registration for the 2025-2026 School Year:

\*Registration for next school year will begin at the beginning of March. Please let us know if your child will be coming back next year, and if you have any younger children that you would like to add to our advanced registration list!
