

**Posted to the U.S. this year? Have questions?**

**Want to know what services are available to you while you are there?**

**Curious about the challenges you may encounter?**

You are not alone! With over 650 Canadian Military families posted to 37 states, and a Military Family Staff (MFS) to support you wherever you are, moving to the U.S. can be an exciting time for your family!

Come to a live, interactive, online event where we discuss some of the great things about living in the U.S., and some of the challenges. We will highlight what services and supports are available to you from Military Family Services, as well as the U.S. Bases.

- \* There will also be an open time to ask questions!
- \* Think of it as a group skype session, but no video cam needed!
- \* You simply need a computer with speaker and mic capabilities.
- \* If you can't make it to the live session, request a link to the recording at:
