

We truly enjoyed, and we were honored to have the opportunity to host a Canadian event like a Canada Day BBQ, where both CAF members, their families and our fellow US Coast Guard friends could attend.

We had all kinds of Canadian memorabilia like temporary Canadian tattoos and Canadian flags, red and white balloons, we also sang our Canadian anthem in both English and French.

We even had snacks that you can only get in Canada (like Ketchup and All Dressed chips) ... It was a great way to celebrate Canada Day and illustrated how Patriotic we can be, even while being in another country.

I think everyone would enjoy coming back to another Canadian BBQ or similar event, and we have some other great ideas to add in the future!
