

## September Newsletter

Shana Tova everyone!!! We can't wait for 5781 to begin. Last year was one of the most difficult ones in generations. As I have said to many of you, the array of emotions from March until the end of August was dynamic and expansive. Lots of fear and confusion during the early part of the pandemic was visceral. What came next was uplifting and inspirational. I saw an Alberta community come together to not only help the camp but a whole host of other organizations that impact our lives. I am so proud to be a part of it and I thank you all for supporting all these great organizations. I hope 5781 brings us some relief and peace. I can't wait to announce the opening of 2021 registration. Thanks for continuing to support our campaign. We have hit \$235,000 raised. We are getting closer and closer to 300!!! Thank you, be well, be safe and Happy New Year to all of you

A couple quick announcements:

- [Skip The Depot](#): You can have your bottles picked up from your house and donated directly to camp. Please click [the link](#) to find out how.
- 2021 will be the **Camps 65th birthday**. We will be announcing our save the date for the event very soon.
- Our [Life and Legacy](#) program is proud to have had 26 people sign letters to make an after-life gift to the camp. We are so thankful and appreciative. We feel this will be a part of the camps future ability to navigate the unexpected. It fits nicely in our endowment program we are developing. Please let us know if you are interested in this program and the packages available.

- Next summer we will be offering June Weekday Rental packages for groups or retreats. We will be announcing available dates and programs in the coming months.

Lastly, from here on in we will be doing a monthly newsletter. **We need to name it!!! This is the last month to submit your suggestions.**

Please send your submissions to [info@campbb.com](mailto:info@campbb.com) and the winner of the contest (Decided by a panel of Alumni and Staff) will get the last of our first edition gaitors.

Shana Tova everyone. Stay safe!!!
