

WELCOME TO TEAM JDC.

Since 1914, JDC has been the global Jewish 9-1-1. Over the years, we have rescued over one million Jews from peril and, today alone,

we will aid more than 55,000 people. You are now a part of this life-changing legacy.

**WATCH THE
VIDEO**

Every day, we're putting Jewish values into action to build a better tomorrow for Jews and others all over the world.

Like Nerya, [the 30-year-old Israeli who we helped go from homeless to working at Google](#). Or [homebound Liudmila in Ukraine](#), whose JDC homecare worker has been her window to the outside world for nine years. Or [Miriam from Romania, whose magical experience at our international Camp Szarvas shaped her into a Jewish leader](#).

These stories and many more are now a part of your story.

The next chapter begins today. Together, we can meet tomorrow's challenges — **that's why the future needs us now.**
