

Shalom Camp Community!

We hope you are all doing well and keeping safe. Although we cannot be together in person right now, our camp community must find ways to lean on each other during this uncertain time.

The staff of 2020 have been working hard to find ways to engage our community from afar. In the coming weeks, Camp BB will launch our first virtual engagement programs so you can experience the joy of camp from your own home.

To kick this off, we would love for you and your families to record videos answering one or more of the following questions:

What former or current staff do you have the fondest memories of and why?

What was the best program you experienced at camp and why?

What songs do you associate with your time at camp and why?

In what ways has camp shaped the person you are now?

What is your favorite current or former camp tradition and why?

Be as creative as you want to be but please keep entries to one minute per question.

Your videos may be used within the camp's social media and made available for others to see and enjoy. By sending us a video, you are allowing us to publish them on our various platforms.

Please send your videos to video@campbb.com

We can't wait to hear from you and we look forward to sharing cherished memories together!

This is just the beginning, hang tight for more virtual programming and surprises to come!

Sending love to you and your families,

Camp BB Staff 2020
