CURRENT CHESED PROJECT

United Way Coats for Kids and Families – November and December
Beth Israel and Talmud Torah Chesed Project

Beth Israel and Talmud Torah School are partnering for our annual United Way Coats for Kids and Families campaign in our effort to provide much-needed relief for local families during the winter months.

We are collecting new or gently used outerwear items including coats, toques and mitts. For our knitting community, please note that hand-knitted items are most welcome.

Please help keep our community warm. Donated items can be dropped off at Beth Israel or Talmud Torah during November and December.
