Virtual Career Expo

On Sunday, May 31 and Monday, June 1, Hillel and Masa Israel Journey will be hosting *What's Next*, a Virtual Career Expo for current college students and young alumni featuring full-time job opportunities, internships and graduate school programs.

Participants will have the opportunity to chat with recruiters and visit virtual booths hosted by more than 50 companies, nonprofits and graduate school programs, including organizations like LinkedIn and Unum insurance.

Registration is free, and open to all current college students, recent grads and alumni, so make sure to let the student or young alum in your life know about this amazing opportunity!
