

We know that God does not have human gender. We often refer to God as our Father but God is also our Mother. This Sunday, we honor our human fathers. Whether your father was among, if not the greatest, fathers; all of us had a father. If your father is living or you are a father, I hope that you will be present along with your father or the children who made you a father this Sunday for Father's Day.

We will be talking about our Heavenly Father (who is also our Mother) this Sunday. Our scripture is one of my all-time favorites, "Jesus said, "In my Father's House are many rooms...I go to prepare a place for you."" Jesus has gone before you to prepare a place for you in what he calls "My Father's House."

There is no greater promise than this. One of Jesus' disciples said, "Lord, we don't know the way." Jesus said, "I AM the way." It feels like many of God's children have lost the way. Come worship with us. It isn't arrogant for us to claim, "We know the way. Jesus is our GPS. Just listen to his voice saying, "Come and follow me.""
