## Traffic on the Postoak Campus

Where do I drop my child off in the morning?  
Where can I pick my child up in the afternoon?

Please take a look at the map to pinpoint the Intermediate School drop-off and pick-up location, which can be accessed via Ring Road. Between 8:20 and 8:40 a.m. and 3:35 and 3:50 p.m., staff and/or faculty will be present to open car doors and to help students safely reach the IS front doors. If you wish to personally walk your child into the school or pick him or her up, please park in the visitor parking lot and walk your child along Ring Road's sidewalk. Be mindful that the IS circle is for active drop off and pick up only. Because there are no parking spots along the roundabout, please stay with your cars.

We are also asking our Intermediate School families to display a car dashboard sign. The sign will indicate the child's last name to our waiting faculty. These signs will help identify IS families quickly as cars move through the circle. If you would like more dashboard signs for additional drivers or a digital copy of it, please email Erin Abernethy ([eabernethy@saes.org](mailto:eabernethy@saes.org)).
