

20-B-01	Softball Scheduling and Medical Hardship Limits	Change the frequency of play limit in the sport of softball from 28 contest dates to 56 games, and adjust medical hardship limits accordingly.	PASS
20-B-02	Women's Volleyball Scheduling Limits	Add an additional three scrimmage dates to be played after the end of the fall term during weekends or non-scheduled class dates.	PASS
20-B-03	Wrestling: Frequency of Play Exception	Create an exception to the frequency of play limits and 24-week season for wrestling student-athletes who qualify and compete in US Senior Nationals, national or Olympic team trials/competition or to represent USA wrestling in competition (or international equivalents). Permits student, coach(es) and one teammate to practice for four weeks in advance of competition without counting towards 24-week season.	PASS
20-B-04	Seasons of Competition: Minimum Participation	Institute a minimum number of intercollegiate contests a student must participate in before the student will be charged a season of competition, equivalent to greater than 20% of the frequency of play limit for that sport, rendering the medical hardship provision moot except for instances where a student was not an NAIA student-athlete during the season in question. In addition, replace the unattached exception with an exception permitting national or Olympic team competition without charging the student a season of competition.	PASS
20-B-05	Progress Rule Exception for Non- intercollegiate Competition	Create a one-time, one-year exception to the Progress Rule for incoming freshmen students who have been charged at least one season of competition for non-intercollegiate participation. At the conclusion of the one year, the student will be required to satisfy the Progress Rule and the corresponding number of hours required for the total number of seasons of competition the student has been charged.	PASS
20-B-06	Enrollment Verification: Senior & Graduate Student Exceptions	Permit a registrar to verify a senior or graduate student's enrollment in less than 12 hours by signing the Official Eligibility Certificate within the Eligibility Certification Process (ECP) software without requiring additional documentation from the registrar.	PASS
20-B-07	Repeat Courses	Permit the initial attempt of a course to be utilized to satisfy the 12-Hour Enrollment Rule and the 24/36-Hour Rule when the course is required to be earned with a higher grade to satisfy degree completion or general education requirement in the student's declared major field of study.	PASS
20-B-08	Recertification: 21-Day Window	Extend the window for recertification from 21 days to 30 days following the close of a term or 10 days from the end of the interterm, during which time any student who was eligible during the term can maintain eligibility and continue to compete.	PASS
20-B-09	Amateur Code – Name, Image, Likeness Compensation	Permit student-athletes to receive compensation from use of their name, image or likeness when promoting a commercial product or enterprise, or for a public or media appearance, and also to allow individuals to represent student-athletes in these promotions or agreements with a professional sports organization. Special provision is included to provide the Council of Presidents the authority to amend this bylaw section on emergency basis if necessary.	PASS
