We are so excited to be selected as this year's Pacific Southwest District Hearts for Jesus recipient! Your schools shine so brightly in our Synod! We are both humbled and honored to be working with you to help children in your classrooms have a bigger picture of the world and to see how they can be part of a mission greater than themselves. It's going to be a great year! Our partnership with you makes so much sense because we have the same calling—to share the love of Jesus with children through Christian education.

We cannot do the work the Lord has called us to without our vital partnership with you. The chapel offerings you give through Hearts for Jesus will go to support the 76 schools we have in 18 different countries. There are literally thousands of children who want to go to school but simply have no money for tuition. Because of your partnership with Hearts for Jesus, we will be able to offer student scholarships to children in Haiti, the Dominican Republic, Central & South America, the Middle East, Asia, and in West Africa. Hearts for Jesus will also allow us to provide valuable teacher training.

Inside this packet are pieces of information you can use to familiarize yourself with LeadaChild. Please also feel free to visit our website at www.leadachild.org and look for the Hearts for Jesus section in our Resources tab.

Because the Fall conference is now virtual, I will not be able to meet you there in person, but I do hope to meet many of you when I travel throughout the Pacific Southwest District in February.

Thank you for all you do to serve children and their families. Your work does not go unnoticed!

Together with You in Mission,

Lisa M. Hellyer, DCE
