SEPTEMBER 2026 / NEWS FROM THE MISSION

Mission Newsletter from Tijuana.

RootedinChrist,growinginHim. | Colossians2:6-7

Dear friends in Christ,
Thank you for helping us share the Gospel in Tijuana. It is a joy to show you how God continues to care for our congregation and neighbors through His Word, through faithful service, and through your partnership.

CHILDREN & MISSION

Meals that nourish. Words that give life.

This September, Deaconess Diana continued bringing meals and Bible lessons to children at our El Florido and Margaritas missions. A meal meets a real need. A Bible lesson brings the good news and hope of Jesus to children facing difficult circumstances.

We hope to begin regular catechism classes and worship services at both mission sites next year. Please pray that the Lord prepares the way, and help us provide the food, teaching materials, and travel that make these visits possible.

Your support helps us continue visiting these families, build lasting relationships with them, and share the good news of Jesus.

Please pray for catechism classes and worship at both mission sites.

YOUNG PEOPLE & MUSIC

A place to learn. A place to belong.

FROM MUSIC LESSONS TO LIFE IN THE CHURCH

We are preparing to offer music classes to young people in our community. We want to give them a welcoming place to learn, build friendships, and become connected to the life of the church.

We have already seen how these relationships can grow. Members of our current music group first came to learn an instrument. Today, they take part in the Divine Service, and two are preparing to begin seminary next year.

Now we need instruments so more young people can join us. Used instruments in good working condition would be a wonderful gift:

Keyboard, Guitar, Bass, Drum set, Microphones.

Have an instrument you no longer use?

You or your congregation can help a young person begin learning. Please contact me to arrange a donation. Your gift can open another door into the life of our church.

FELLOWSHIP & BIBLE STUDY

Growing together in God's Word.

Learning. Fellowship. Prayer.

Women who pray and serve.

Twice a month, the women of our congregation gather on Saturdays for Bible study, fellowship, and prayer. We thank God for Deaconess Cristina, who leads and encourages this group.

These gatherings give our sisters time to grow in God's Word, care for one another, and strengthen their service to the congregation. Please remember them in your prayers as they continue serving the Lord and their neighbors.

Our Sunday Bible study

Learning to be Christ's witnesses.

In September, we began studying the Book of Acts. It has encouraged us to bear witness to Christ in our community and in our everyday callings: at home, at work, and wherever God places us.

The Lord continues to gather and sustain His Church through His Word. Please pray that He deepens our faith and gives us opportunities to speak of the hope we have in Jesus.

Rooted in Christ, growing in Him.

CARE IN THE COMMUNITY

Love at work. Christ proclaimed.

For a week beginning in late September, our sisters from Cristo Para Todas las Naciones (CPTLN) joined us in serving our neighbors. Together, we visited the missions with Bible lessons and food for children, and shared Christian literature and church information at the sobre ruedas, our neighborhood street market. Thank you, CPTLN, for your love, encouragement, and tireless service!

Meals and prayer at the public hospital

Beside families in need

At the public hospital, we prayed for the sick and shared meals with family members waiting for news about their loved ones, as well as people experiencing homelessness nearby.

On friday nigth, Our youth also took part in a workshop on dating and relationships, with time to learn and talk together.

Our community health outreach

A Saturday of care

On Saturday, we gathered children for breakfast and a Bible lesson, then welcomed our neighbors to a health outreach that included vaccinations and dental cleanings.

We pray these acts of care lead to lasting relationships and opportunities to share the Gospel. We trust the Lord to work through His Word.

Please pray for every child, family, and neighbor we met.

CHRISTMAS OUTREACH / TOY DRIVE 2026

Help us share Christmas hope.

A gift, a gathering, and the Gospel of a Savior born for us.

For this year's Christmas toy drive, we hope to serve children in our congregation and missions in Tijuana, and also share gifts with our brothers and sisters in Mexicali and San Luis.

We also hope to include San Pablo, the independent congregation served by Pastor Abner. Through the work of Pastor Tardelli Voss and the San Diego and Tijuana Mission Society, he has drawn closer to our Lutheran Synod in Mexico and is preparing to begin seminary studies.

Please pray for San Pablo as we seek to grow together as partners in the Gospel.

THREE WAYS YOU OR YOUR CHURCH CAN HELP

Three ways to help.

01 **Collecttoysbythesecondweek of December.**

This gives us time to pick them up and bring them into Mexico before Christmas. Please contact me so we can coordinate collection.

02 **Help host a Christmas posada.**

A posada is a Mexican Christmas gathering. Your gift can help provide tamales, hot chocolate, piñatas, candy, and toys - and an opportunity to proclaim that Jesus Christ, our Savior, has been born for us.

03 **Help bring the gifts to Mexico.**

Help cover fuel and meals for a two-day gift collection trip, including Phoenix. Your support helps us collect the gifts and bring them to the communities we serve.

PASTORAL CARE & PARTNERSHIP

Strengthened to serve

Attheend of September, I joined the Pacific Southwest District (PSWD) pastors' conference. I am deeply grateful to the brothers who welcome me as one of their own.

For a pastor serving in Tijuana, time to learn, pray, and receive encouragement from fellow pastors is a precious gift. I returned grateful for their care and strengthened for the work here.
