TO SUPPORT NORTH SIDE COMMUNITY SCHOOL

ABOUT NORTH SIDE COMMUNITY SCHOOL

The mission of North Side Community School — a public charter school in North St. Louis serving grades preK- 8th — is to improve each student's opportunities in education and in life by developing the skills, knowledge, and personal qualities necessary for success.

North Side's key pillars are small class sizes (15-18 students), family involvement through home visits and an active parent organization and high expectations through an extended school day and emphasis on math and reading early on.

North Side serves over 500 students annually across three campuses. 100% of students qualify for free lunch.
