

Introducing "Voter of the Day" (VOTD)

Celebrating Civic Participation Across Vermont

At AGC Vermont, we believe that civic engagement strengthens our communities. To encourage voter participation this election season, we are excited to launch a new social media initiative: **Voter of the Day**.

This nonpartisan campaign is designed to recognize and celebrate fellow Vermonters who are taking part in the democratic process. Whether you've voted early at your town clerk's office, returned an absentee ballot, cast your vote on Election Day, or proudly displayed your "I Voted" sticker, we invite you to share your experience with us.

Each day throughout the election season, we will highlight one participant as our '**Voter of the Day**' across the VOTD social media channels.

How to Participate

Participating is simple:

1. **Take a photo** showing your participation in the voting process.

Eligible photo submissions may include:

- Wearing an "I Voted" sticker
- Returning an absentee ballot
- Voting early at your town clerk's office
- Standing outside your polling location

2. **Submit your photo** along with:

- Your name
- Your Vermont town or city

3. One submission will be selected each day and featured as our **Voter of the Day**.

4. Featured participants will receive a **\$5 Dunkin' gift card** as a token of appreciation.

Why We're Doing This

The purpose of this campaign is simple: **to encourage participation**.

Voting is one of the most important ways individuals can engage in their communities and have a voice in the decisions that affect their lives. By highlighting real Vermonters who are taking time to vote, we hope to inspire others to do the same.

This initiative is strictly nonpartisan. It is not about who you support, what party you belong to, or how you vote. It is simply about celebrating civic participation and encouraging eligible voters to make their voices heard.

Need to register to vote, update your registration, request or track your ballot, or find your polling location? Visit the [Vermont Secretary of State's Online Voter Registration Portal](#) to manage all of your voter information in one place.

Frequently Asked Questions

Who can participate? Any Vermont voter who participates in the election process is welcome to submit a photo for consideration.

What kinds of photos are allowed? Photos should celebrate participation while protecting ballot secrecy. We encourage submissions that show an "I Voted" sticker, a visit to a polling location, voting early at a town clerk's office, or returning a ballot. Please do not submit photos showing a completed ballot.

How do I submit my entry? Submitting your photo is easy.

Send us your photo along with your name and hometown by:

- Direct message on social media:
 - Facebook: [@Votd Vermont](#)
 - Instagram: [@votd.vermont](#)
- Email: vermontvotd@gmail.com

Be sure to include your name and the Vermont town or city you'd like us to feature with your submission.

Get Involved

If you're voting this election season, consider sharing your experience with us. Your photo may help remind a friend, coworker, family member, or neighbor to participate as well.

Follow our social media channels throughout the election season as we spotlight voters from communities across Vermont and celebrate civic engagement, one photo at a time.

Your vote matters. Your participation matters. Let's celebrate it together.
