

RURAL TRANSPORTATION ADVOCACY COUNCIL
TRANSPORTATION BILL MATRIX
FEBRUARY 28, 2023

BILL#	TITLE	DESCRIPTION	STATUS
HB2013 Cook	transportation tax; deposit; regional fund	Would return non-refunded revenues from the invalidated Pinal County transportation sales tax to Pinal's regional transportation fund. (The court ruling set a four-year period to request refunds.)	Assigned to House Ways & Means Cmte on 1/11 - Awaiting cmte hearing
HB2063 Martinez	appropriations; State Routes; 238; 347	Would require ADOT to provide quarterly updates to the Legislature on the projected cost and status of projects that were appropriated funding last legislative session. Would appropriate \$13M from the State Highway Fund to the City of Maricopa for improvements to SR-238 and/or SR-347.	Passed House Trans & Infra Cmte 11-0 on 1/25, passed House Approps Cmte 13-0 on 2/15, passed House 60-0 on 2/22 , sent to Senate on 2/23, assigned to Senate Trans & Tech and Approps Cmtes on 2/27 - Awaiting Senate cmte hearings
HB2079 Diaz	state route 90 extension	Would appropriate \$40M from the State General Fund to extend SR-90 from I-10 to Aviation Drive in Benson.	Assigned to House Trans & Infra and Approps Cmtes on 1/17, held in House Trans & Infra Cmte on 2/1 & 2/15 - Awaiting cmte hearings
HB2097 Bliss	appropriation; State Route 89; roundabout	Would appropriate \$18.4M from the State General Fund for improvements to SR-89 between Road 3 North and Road 5 North including a roundabout construction in Chino Valley.	Assigned to House Trans & Infra and Approps Cmtes on 1/17 - Awaiting cmte hearings
HB2098 Bliss	appropriation; Clarkdale bridge	Would appropriate \$6,321,360 from the State General Fund to Clarkdale for the construction of an additional bridge over Bitter Creek. Amended so that if Clarkdale is awarded a federal grant for the project, the revenue would be directed to the State General Fund as a reimbursement for the State appropriation.	Passed House Trans & Infra Cmte 11-0 on 2/1, passed House Approps Cmte 12-2 on 2/15 amended, passed House 34-26 on 2/22 , sent to Senate on 2/23, assigned to Senate Trans & Tech and Approps Cmtes on 2/27 - Awaiting Senate cmte hearings - Identical bill, SB1169 introduced in Senate

RURAL TRANSPORTATION ADVOCACY COUNCIL
TRANSPORTATION BILL MATRIX
FEBRUARY 28, 2023

HB2107 Livingston	appropriation; SR 303; Route 60	Would appropriate \$3M from the State General Fund for improvements to the intersection of SR-303 and US-60 in the West Valley.	Passed House Trans & Infra Cmte 11-0 on 1/25, passed House Approps Cmte 14-0 on 2/15, passed House 57-3 on 2/22 , sent to Senate 2/23, assigned to Senate Trans & Tech and Approps Cmtes on 2/27 - Awaiting Senate cmte hearings
HB2234 Nguyen	appropriation; Glassford Hill road	Would appropriate \$9.9M from the State General Fund for improvements to Glassford Hill Road contingent on Prescott Valley securing an additional \$1.1M for the project.	Assigned to House Trans & Infra and Approps Cmtes on 1/18 - Awaiting cmte hearings
HB2241 Aguilar	electric vehicles; charging, pilot program	Would mandate that a municipality or county may not issue a residential building permit unless the structure includes a dedicated electric vehicle charging outlet with exceptions. Would require the Department of Administration to conduct a two-year pilot program including reimbursements for the installation of electric vehicle charging outlets in residences not to exceed \$1,000. (Similar to SB1441 which adds a \$500,000 appropriation for the pilot program.)	Assigned to House Trans & Infra Cmte on 1/18 - Awaiting cmte hearing - Similar to SB1441
HB2285 Livingston	appropriation; Jackrabbit Trail improvement	Subject of a second “strike everything” amendment that would now appropriate \$5M from the State General Fund for an interchange design at I-10 and Jackrabbit Trail. Would also appropriate \$30M next year and \$35M in FY24-25 for the construction of that interchange. Amended by full House to declare Legislature’s intent to accelerate the project and for ADOT to utilize a Construction-Manager-At-Risk contract.	Passed House Trans & Infra Cmte 9-2 on 2/8 with a “striker” amend, passed House Approps Cmte 12-1 on 2/15 with a new “striker” amend, failed House 30-30 on 2/22 - Could be reconsidered by House - Scheduled for 2/28

RURAL TRANSPORTATION ADVOCACY COUNCIL
TRANSPORTATION BILL MATRIX
FEBRUARY 28, 2023

HB2288 Cook	roundabouts; right-of-way; large vehicles	Would authorize operators of large vehicles (at least 40-foot long or ten-foot wide) to deviate from their lane to the extent necessary to operate through a roundabout, would require other vehicle operators to yield the right-of-way, and would require specifically designed “Yield” signs posted at all roundabouts. Amended by full House to require ADOT to design a standard regulatory sign and develop a uniform standard for their display with yield signs.	Passed House Trans & Infra Cmte 10-1 on 2/1, passed House 51-9 on 2/22 amended , sent to Senate on 2/23 - Awaiting Senate cmte assignments
HB2289 Cook	appropriation; State Route 24	Would appropriate \$18M from the State General Fund to Pinal County for the extension of SR-24.	Assigned to House Trans & Infra and Approps Cmtes on 1/18, passed House Trans & Infra Cmte 10-1 on 2/8, held in House Approps Cmte on 2/15 & 2/20 - Ready for House Approps Cmte approval
HB2299 Carter	appropriation; Hunt Highway	Would appropriate \$32.1M from the State General Fund to Pinal County for the Hunt Highway Project.	Assigned to House Trans & Infra and Approps Cmtes on 1/18 - Awaiting cmte hearings
HB2300 Carter	appropriation; Central Arizona Parkway	Would appropriate \$52M from the State General Fund to Pinal County for the Central Arizona Parkway project.	Assigned to House Trans & Infra and Approps Cmtes on 1/18 - Awaiting cmte hearings
HB2417 Gress	HOV Lane; pregnant drivers	Would specify that a pregnant woman qualifies as two persons for the purposes of determining eligibility for the use of a High Occupancy Vehicle (HOV) lane.	- Awaiting introduction & cmte assignments

HB2531 C Hernandez	railroads; train length; prohibition	Would limit train length to 8,500 feet or less	Passed House Trans & Infra Cmte 10-0 on 2/17 - Ready for full House consideration
HB2532 Martinez	appropriation; State Route 87	Would appropriate \$9,424,000 from the State General Fund for intersection improvements on SR-87 at Arica and Shedd roads	Assigned to House Trans & Infra and Approps Cmtes on 1/30 - Awaiting cmte hearings

RURAL TRANSPORTATION ADVOCACY COUNCIL
TRANSPORTATION BILL MATRIX
FEBRUARY 28, 2023

HB2543 Dunn	appropriations; greater Arizona transportation projects	Would appropriate \$300M to 83 highway and road projects throughout Greater Arizona selected as priorities by the Greater Arizona regional transportation planning organizations. Amended to add an additional \$31M in Greater Arizona projects.	Passed House Trans & Infra Cmte 9-1 on 2/15 amended, passed House Approps Cmte 12-2 on 2/20 - Ready for full House consideration
HB2553 Martinez	appropriation; State Route 347	Would appropriate \$18M from the State General Fund for intersection improvements on SR-347 at Casa Blanca Road and Cement Plant Road.	Assigned to House Trans & Infra and Approps Cmtes on 2/6 - Awaiting cmte hearings
HB2569 Livingston	appropriation; Happy Valley Road	Would appropriate \$12.5M from the State General Fund to Phoenix for Happy Valley Road improvements between 35th Avenue and 67th Avenue.	Passed House Trans & Infra Cmte 10-0 on 2/15, passed House Approps Cmte 13-2 on 2/20 - Ready for full House consideration - Identical bill, SB1499, introduced in Senate
HB2570 Livingston	general appropriations act; 2023-2024	Would essentially authorize a continuation of the current year's state spending levels for next year adjusted to meet statutory formula requirements and other obligations, provides for some other adjustments. (Part of the package of "baseline" budget bills introduced by legislative leadership on 1/30.)	Passed House Approps Cmte 9-6 on 2/1, substituted for SB1523 which failed the House 29-31 on 2/6, SB1523 passed the House on reconsideration 31-28 on 2/13 , sent to Governor on 2/15, SB1523 vetoed by Governor on 2/16
HB2572 Livingston	capital outlay; appropriations; 2023-2024	Would continue providing ADOT authorization for the expenditure of State Highway Fund revenues in FY24. Would make other adjustments including ADOT reporting requirements and would exempt state highway construction funding appropriated for FY23 from lapsing unless an appropriation remains unexpended or unencumbered for a full fiscal year. (Part of the package of "baseline" budget bills introduced by legislative leadership on 1/30.)	Passed House Approps Cmte 9-6 on 2/1, substituted for SB1525 which passed the House 31-27 on 2/13 , sent to Governor on 2/15, SB1525 vetoed by Governor on 2/16

HB2582 Livingston	transportation; 2023-2024	Would prohibit state agencies and local governments from using HURF and State Highway Fund revenues for projects reducing the capacity for motor vehicle travel. Would revise various ADOT reporting requirements including the progress of improving MVD wait times and the turnaround time for vehicle registration renewals by mail. (One of the budget reconciliation bills (BRB's), needed to make substantive changes to the law associated with the funding levels provided in the core budget bills. Part of the package of "baseline" budget bills introduced by legislative leadership on 1/30.)	Passed House Approps Cmte 9-6 on 2/1, substituted for SB1535 which passed the House 31-27 on 2/13 , sent to Governor on 2/15, SB1535 vetoed by Governor on 2/16
HB2586 Carter	ADOT dynamic message signs	Would limit use of the ADOT dynamic message signs to conveying messages strictly related to transportation and highway public safety, or amber, silver and blue alerts.	Passed House Trans & Infra Cmte 7-4 on 2/17 - Ready for full House consideration
HB2593 Tsosie	appropriation; State Route 264	Would appropriate \$388,700 from the State General Fund for the development of SR-264	Assigned to House Trans & Infra Cmte on 2/6 - Awaiting cmte hearing
HB2605 Hernandez	international trade; authority; transportation	Would establish the International Transportation and Trade Corridor Authority to remain in existence through July 1, 2028. Would have no tax or assessment authority. The Authority governing board would be appointed by the Governor, House Speaker and Senate President and would hire an Executive Director. Board membership is required to be geographically diverse. The Authority would be tasked with constructing, financing, furnishing, maintaining, improving, operating, marketing, and promoting the use of transportation and trade facilities. Would appropriate \$200,000 from the State General Fund to the Authority.	Assigned to House Trans & Infra Cmte on 2/6 - Awaiting cmte hearing - Identical bill, SB1586, introduced in Senate
HB2609 Tsosie	appropriations; Navajo Nation transportation projects	Would appropriate from the State General Fund to the Navajo Nation the following amounts for the following projects: \$266,000 - N-9205 Pueblo Colorado Wash crossing improvements \$6,823,400 – BIA Route N-15 reconstruction, Phase I \$3,961,800 – BIA Route N-9054 Steam Boat Bridge project	Assigned to House Trans & Infra and Approps Cmtes on 2/6 - Awaiting cmte hearings

RURAL TRANSPORTATION ADVOCACY COUNCIL
TRANSPORTATION BILL MATRIX
FEBRUARY 28, 2023

HB2633 Livingston	Maricopa county transportation excise tax	Would authorize Maricopa County to take to its voters a 20-year extension of the one-half cent regional transportation sales tax currently set to expire after 2025. Makes numerous reforms to the current tax authority. Would set revenue distribution to 45% freeways, 35% to major arterials, and 20% to public transportation with no more than a 5% shift between the categories annually. Adjustments include; no funding for any new extensions to the light rail system, adding 2 members to the transportation policy committee from unincorporated areas appointed by the House Speaker and Senate President, and at least \$90M allocated for commercial truck parking consistent with a regionally adopted truck parking plan.	- Awaiting introduction & cmte assignments
HB2643 Cook	state aviation fund; appropriation	Would appropriate \$26M from the State General Fund to the State Aviation Fund and require that \$6M of that revenue be distributed to Phoenix-Mesa Gateway Airport.	Passed House Trans & Infra Cmte 10-1 on 2/15, held in House Approps Cmte on 2/20 - Ready for House Approps Cmte hearing - Similar to SB1504 introduced in Senate

HB2752 Pena	appropriation; State Route 85	Would appropriate \$6.5M from the State General Fund for SR-85 improvements between Milepost 123 and Maricopa Road.	Passed House Trans & Infra Cmte 11-0 on 2/15, passed House Approps Cmte 14-0 on 2/20 - Ready for full House consideration - Scheduled for 2/28
HB2774 Austin	transportation network services; insurance requirements	Would require transportation network providers to have underinsured motorist coverage in a minimum amount of \$250,000 per incident.	Assigned to House Regulatory Affairs and Commerce Cmtes on 2/7 - Awaiting cmte hearings

HB2809 Carbone	public infrastructure improvements; reimbursement	Would amend Dep't of Revenue payments to a county or municipality for the cost of public infrastructure improvements for the benefit of a manufacturing facility, currently set at no more than \$100M and not to exceed the collected sales tax from the facility, to the lesser of the collected sales tax or 80% of the total infrastructure costs rather than the \$100M cap.	Passed House Commerce Cmte 10-0 on 2/14 - Ready for full House consideration - Scheduled for 2/28
HCM2008 Carbone	air quality; ozone standards; opposing	Would urge the President and Congress from preventing the EPA from imposing penalties on Arizona for failure to meet ozone standards that are impossible to attain with available control measures.	Passed the House Nat'l Resources, Energy & Water Cmte 6-3 on 2/14 - Ready for full House consideration
XXXXXXX	XXXXXXXXXXXX	XX	XX
SB1003 Kavanagh	traffic violations; identification	When a driver fails to bring a vehicle to a stop after instructed by a peace officer, in addition to the driver, would require any passenger to provide full name, date of birth and residence address if requested by the peace officer. Violations would be a Class 2 misdemeanor.	Assigned to Senate Trans & Tech Cmte on 1/31 - Awaiting cmte hearing
SB1022 Kavanagh	pedestrians; selling goods; begging; medians	The "strike everything" amend would prohibit a pedestrian from remaining on a painted traffic median or a raised traffic island or median that is less than ten feet wide, with some exceptions.	Passed Military Affairs & Public Safety Cmte 4-3 on 2/8 with a striker amend - Ready for Senate Rules Cmte
SB1024 Kavanagh	public rights-of-way; unlawful acts	Amended bill would prohibit a person from erecting or maintaining any full or partial enclosure for habitation in a public street, highway, sidewalk, or other right-of-way.	Passed Senate Military Affairs & Public Safety Cmte 4-3 on 2/8 amended, passed Senate 16-13 on 2/21 amended , sent to House on 2/21, assigned to House Mil Affairs & Public Safety Cmte on 2/27 - Awaiting cmte hearing
SB1035 Kavanagh	sidewalks; scooters; bicycles; fifteen mph	Would prohibit operating an electric bicycle, electric scooter, or device moved by human power at speeds over 15 MPH on sidewalks.	Assigned to Senate Gov Cmte on 1/11 - Awaiting cmte hearing

RURAL TRANSPORTATION ADVOCACY COUNCIL
TRANSPORTATION BILL MATRIX
FEBRUARY 28, 2023

SB1050 Kavanagh	appropriation; DUI; data collection	Would appropriate \$250,000 from the State General Fund to the Arizona Criminal Justice Commission to contract for a report examining various data collection processes related to DUI's.	Assigned to Senate Approps and Gov Cmtes on 1/17 - Awaiting cmte hearings
SB1065 Shope	appropriation; widening; I-10	Would appropriate \$360M for the widening of I-10 between Casa Grande and Chandler. Amended in Senate Approps Cmte to not allow an acceptance of federal funding for the project if such acceptance is contingent on including a bicycle path or pedestrian walkway. (A \$300M federal Mega Grant application for this project was unsuccessful in January.)	Passed Senate Trans & Tech Cmte 7-0 on 1/30, passed Senate Approps Cmte 9-0 on 2/7 amended - Ready for full Senate consideration - Identical bill, HB2453, introduced in House
SB1085 Kavanagh	time limitation; DUI prosecutions	Would set a two-year time limitation from the time of discovery for a DUI prosecution.	Passed Senate Judiciary Cmte 5-2 on 2/9 - Ready for full Senate consideration - Scheduled for 2/28
SB1097 Carroll	truck routes; designation	Prior to enacting any vehicle size restrictions on highways that also serve as a major arterial connecting two or more jurisdictions, a local authority must affirm such operations are unsafe, would be prohibited from providing exceptions on the route, and would be required to respond to requests for a review of the restrictions within 90 days.	Passed Senate Trans & Tech Cmte 6-1 on 2/13 - Ready for full Senate consideration - Scheduled for 2/28
SB1098 Carroll	truck routes; signage	Along highways where a local authority has enacted truck or commercial vehicle restrictions, would require signs to be posted every one-quarter mile informing the public of the restrictions and the fastest alternative route.	Passed Senate Trans & Tech Cmte 5-2 on 1/30, passed Senate 29-0 on 2/21 , sent to House on 2/21, assigned to House Trans & Infra Cmte on 2/27 - Awaiting cmte hearing

RURAL TRANSPORTATION ADVOCACY COUNCIL
TRANSPORTATION BILL MATRIX
FEBRUARY 28, 2023

SB1099 Carroll	progressive design-build; ADOT	Would authorize ADOT to enter contracts using “progressive design-build” which requires the other party to agree to both design and build an infrastructure project and is selected through a defined qualification-based process.	Assigned to Senate Trans & Tech Cmte on 1/23, held on 2/13 - Awaiting cmte hearing
SB1100 Carroll	all-terrain vehicles; definition	Would amend the unladen weight specification in the definition of an “all-terrain vehicle” from 2,500 lbs to 3,500 lbs. Amended to apply the increased weight specification to registration & VLT requirements for all-terrain and off-highway vehicles	Passed Senate Trans & Tech Cmte 6-1 on 1/30, passed Senate 19-10 on 2/21 amended , sent to House on 2/2, assigned to House Trans & Infra Cmte on 2/27 - Awaiting cmte hearing
SB1102 Carroll	Appropriation; SR 303; Route 60	Would appropriate \$3M from the State General Fund for improvements to the interchange of SR-303 and US Route 60. Amended to a \$4.5M appropriation.	Passed Senate Trans & Tech Cmte 7-0 on 1/30, passed Senate Approps Cmte 10-0 on 2/7 amended, passed Senate 26-2 on 2/16 , sent to House on 2/16, assigned to House Trans & Infra and Approps Cmtes on 2/27 - Awaiting cmte hearings
SB1116 Kaiser	political signs; public roadways; prohibition	Would prohibit the placement of a political sign in the right-of-way of a public road.	Assigned to Senate Gov Cmte on 1/31 - Awaiting cmte hearing
SB1122 Farnsworth	transportation tax; election; Maricopa county	Would authorize Maricopa County to place on the ballot a twenty-year extension of the one-half cent transportation sales tax currently set to expire after 2025. Would revise the membership of the transportation policy committee responsible for the development and modifications to the regional transportation plan. Commuter rail, light rail, street cars and trollies would be prohibited uses of the revenue.	Assigned to Senate Trans & Tech Cmte on 1/24, discussed on 1/30 & 2/6, failed Senate Trans & Tech Cmte 3-4 on 2/13
SB1129 Gabaldon	median barriers; study committee	Would establish a median barrier study committee to review the need and feasibility of installing median barriers and other public safety alternatives along the interstates and highways. A report on the findings would be due no later than December 15, 2023.	Assigned to Senate Trans & Tech Cmte on 1/23 - Awaiting cmte hearing

RURAL TRANSPORTATION ADVOCACY COUNCIL
TRANSPORTATION BILL MATRIX
FEBRUARY 28, 2023

SB1169 Bennett	appropriation; Clarkdale bridge	Would appropriate \$6,321,360 from the State General Fund to Clarkdale for the construction of an additional bridge over Bitter Creek.	Passed Senate Trans & Tech Cmte 5-2 on 2/13, passed Senate Approps Cmte 7-2 on 2/14 - Ready for full Senate consideration - Identical bill, HB2098, introduced in House
SB1229 Shope	appropriation; State Route 347	Would appropriate \$18M from the State General Fund for intersection improvements on SR-347 at Casa Blanca and Cement Plant roads.	Passed Senate Trans & Tech Cmte 6-0 on 2/6, passed Senate Approps Cmte 9-0 on 2/7, passed Senate 28-1 on 2/20 , sent to House on 2/20, assigned to House Trans & Infra and Approps Cmtes on 2/27 - Awaiting cmte hearings
SB1234 Rogers	prohibition; photo radar	Would prohibit state and local authorities from using a photo enforcement system to identify excessive speed and failure to obey a traffic control device violators	Passed Senate Gov't Cmte 5-3 on 2/8, passed Senate 16-13 on 2/15 , sent to House on 2/15, assigned to House Mil Affairs & Public Safety Cmte on 2/27 - Awaiting cmte hearing
SB1245 Farnsworth	VLT; cities and towns; counties	Would require counties and municipalities to use all of their allocated Vehicle License Tax (VLT) revenue for transportation purposes.	Assigned to Senate Trans & Tech Cmte on 1/26, held on 2/6, failed Senate Trans & Tech Cmte 2-5 on 2/13
SB1312 Hoffman	vehicle mileage; tracking; tax; prohibitions	Would prohibit the State and local governments from developing a transportation or land use plan or select transportation or transit projects with the goal of reducing vehicle miles traveled. Would prohibit the tracking of a person's vehicle miles traveled. Would also prohibit the enactment of fees or taxes based on vehicle miles traveled.	Passed Senate Trans & Tech Cmte 4-3 on 2/6, passed Senate 16-12 on 2/16 , sent to House on 2/16, assigned to House Trans & Infra Cmte on 2/27 - Awaiting cmte hearing

SB1313 Hoffman	general plan; transportation; independent study	Would eliminate from the development of municipal general plans the consideration of the suitability of planned multimodal transportation for growth areas and infrastructure for bicycling. Would prohibit municipalities from including in their general plan measures that would reduce overall system capacity for motor vehicles or adversely impact the response times of emergency vehicles. If a general plan were to reduce the level of service of an arterial street, including speed reduction or capacity, the municipality would be required to perform an independent study on the impact of emergency vehicle response times. Amended to remove the adverse impact on emergency vehicle response times from the prohibited transportation or land use policies of a general plan.	Passed Senate Trans & Tech Cmte 4-3 on 2/13 amended, passed Senate 16-13 on 2/22 amended , sent to House on 2/23, assigned to House Trans & Infra Cmte on 2/27 - Awaiting cmte hearing
SB1314 Hoffman	transportation system performance; ADOT	Would reform performance factors for ADOT including weighing the value of highway projects by 40% congestion reduction, 40% increase in mobility and 20% safety improvements including the projected number of reduced fatalities. For transit, would prohibit ridership on any route to be lower than 70% of the system average. Would allow that minimum to be increased to 50% if the lines are contracted out to a private operator. Would prohibit ADOT from adopting a motor vehicle travel mile reduction target or demand management measure. None of the performance factors could be applied in a manner promoting differential treatment based on race, color or ethnicity.	Passed Senate Trans & Tech Cmte 4-3 on 2/13, passed Senate 16-13 on 2/22 , sent to House on 2/23, assigned to House Trans & Infra Cmte on 2/27 - Awaiting cmte hearing
SB1319 Diaz	VLT exemption; veteran amputee	Would exempt a veteran from Vehicle License Tax (VLT) if they have been awarded a 40% disability rating by the U.S. Department of Veterans Affairs resulting from a lower limb amputation. Would apply to a surviving spouse until remarriage or death.	Assigned to Senate Approps and Trans & Tech Cmtes on 1/31 - Awaiting cmte hearings
SB1340 Mendez	toll roads; conversion; prohibition	Would prohibit the conversion of an existing publicly funded or maintained street or highway to a toll road.	Passed Senate Trans & Tech Cmte 4-1 on 2/13 - Ready for full Senate consideration

RURAL TRANSPORTATION ADVOCACY COUNCIL
TRANSPORTATION BILL MATRIX
FEBRUARY 28, 2023

SB1388 Bennett	transportation funding; pilot program; appropriation	Would appropriate \$50M to the Department of Education to establish a transportation funding pilot program that would provide per pupil weighted funding to participating school districts. Amended to participating public schools rather than school districts.	Passed Senate Educ Cmte 7-0 on 2/8 amended, passed Senate Approps Cmte 6-4 on 2/14 amended - Ready for full Senate consideration
SB1412 Wadsack	motorcycle lane splitting repeal	Would repeal the authority for motorcycles to operate between lanes of traffic and pass vehicles in the same lane stopped in the same direction of traffic.	Assigned to Senate Trans & Tech Cmte on 2/2 - Awaiting cmte hearing
SB1416 Wadsack	county excise tax; rate reduction	Would require a county's general sales tax rate to be reduced by an amount equal to the county's transportation sales tax rate if it was improperly levied. The adjustment would occur for the period of time needed so that the lost general sales tax revenue would equal the transportation sales tax revenue collected minus the refunds provided during the first year of the refund period. (Directed at Pinal County.)	Assigned to Senate Trans & Tech Cmte on 2/2 - Awaiting cmte hearing
SB1441 Sundareshan	electric vehicles; pilot program; appropriation	Would mandate that a municipality or county may not issue a residential building permit unless the structure includes a dedicated electric vehicle charging outlet with exceptions. Would require the Department of Administration to conduct a two-year pilot program including reimbursements for the installation of electric vehicle charging outlets in residences not to exceed \$1,000. Would appropriate \$500,000 from the State General Fund to the Department of Administration. for the pilot program. (Similar to HB2241 but with the addition of the \$500,000 appropriation for the pilot program.)	Assigned to Senate Approps and Trans & Tech Cmtes on 2/6 - Awaiting cmte hearings - Similar to HB2241
SB1442 Sundareshan	transportation electrification study committee	Would establish a study committee to review current laws, foster public acceptance and awareness, and collaborate with various stakeholders to encourage a transition from carbon-fueled to electric vehicles. Would require a report by July 1, 2024.	Assigned to Senate Trans & Tech Cmte on 2/6 - Awaiting cmte hearing

SB1443 Sundareshan	state zero emission vehicle fleet	Would require state agencies to develop a state zero emission motor vehicle fleet plan prioritizing zero emission vehicle purchasing and leasing, and use for agency business travel when feasible. Would also consider the infrastructure necessary for support. Would require ADOT to submit a draft plan one year after enactment of the bill. Would appropriate \$500,000 from the State General Fund to ADOT to develop the plan.	Assigned to Senate Approps and Trans & Tech Cmtes on 2/6 - Awaiting cmte hearings
SB1444 Sundareshan	zero emission vehicles; plans	Would require ADOT in coordination with the Departments of Environmental Quality and Administration to develop a zero emission vehicle plan designed to increase the number of registered zero emission vehicles, establish inter and intra-state zero emission corridors, and coordinate on & increase the needed infrastructure. Would require a draft plan six months after the effective date of the bill.	Assigned to Senate Trans & Tech Cmte on 2/6 - Awaiting cmte hearing
SB1445 Sundareshan	charging station; pilot program	Would require the Department of Administration to conduct a two-year electric vehicle charging station pilot program that would provide funding for the installation of charging stations at state agency locations, would require the pursuit of federal funding for the program which would be repealed if none are received within 18 months of the effective date of the bill. Would require a report prior to 2026.	Assigned to Senate Trans & Tech Cmte on 2/6 - Awaiting cmte hearing
SB1468 Hatathlie	motor vehicles; headlights; prohibition	Would prohibit motor vehicles from being equipped with xenon gas bulb or high intensity discharge light-emitting diode head lamps.	Assigned to Senate Trans & Tech Cmte on 2/6 - Awaiting cmte hearing
SB1499 Carroll	appropriation; Happy Valley Road	Would appropriate \$12.5M from the State General Fund to Phoenix for improvements to Happy Valley Road between 35th Avenue and 67th Avenue.	Assigned to Senate Approps and Trans & Tech Cmtes on 2/1, held in Senate Trans & Tech Cmte on 2/13 - Awaiting cmte hearings - Identical to HB2569

SB1501 Carroll	electric vehicle charging stations	Would prohibit revenues collected by public service corporations or electricity suppliers from being used to build or operate electric vehicle charging stations while permitting such revenues to be used for the infrastructure needed to supply the electrical load to the charging stations. An affiliate of the electricity supplier may own and operate vehicle charging stations but must do so with the same rates, terms and conditions provided to other stations in the supplier's service territory.	Passed Senate Commerce Cmte 4-3 on 2/16 - Ready for Senate Rules Cmte
SB1502 Carroll	corporation commission; electric generation resources	Would declare that it is the public policy of Arizona that public service corporations should pursue the use of "clean energy resources" and a reduction of carbon emissions, but also consider the ability to provide safe and reliable service and the lowest cost method for meeting customer demand at all times. Would set the following timeline for the expanded use of renewable energy resources; 13% by end of 2023, 14% by end of 2024, and 15% by end of 2025 to be maintained every year thereafter.	Passed Senate Nat'l Resources, Energy & Water Cmte 4-3 on 2/16, failed Senate 14-15 on 2/22
SB1504 Carroll	appropriation; state aviation fund	Would appropriate \$20M from the State General Fund to the State Aviation Fund for capital improvement projects for the State's public airports.	Assigned to Senate Approps and Trans & Tech Cmtes on 2/1, held in Senate Trans & Tech Cmte on 2/13 - Awaiting cmte hearings - Similar to HB2643 introduced in House
SB1505 Carroll	election; Maricopa transportation excise tax	Would authorize Maricopa County to take to its voter's a 25-year extension of the county's half-cent regional transportation excise tax. Specifies the following uses for the revenue: 37.4% for freeways and highways, 22.2% for major arterials, 40.4% for public transit including light rail.	Assigned to Senate Trans & Tech Cmte on 2/2 - Awaiting cmte hearing
SB1516 Fernandez	appropriation; Goodyear; Estrella Parkway bridge	Would appropriate \$10M from the State General Fund to Goodyear to improve the Estrella Parkway Bridge.	Withdrawn from Senate Trans & Tech Cmte on 2/15, passed Senate Approps Cmte 9-1 on 2/23 - Ready for Senate Rules Cmte

SB1523 Kavanagh	general appropriations act; 2023-2024	Would essentially authorize a continuation of the current year's state spending levels for next year adjusted to meet statutory formula requirements and other obligations, provides for some other adjustments. (Part of the package of "baseline" budget bills introduced by legislative leadership on 1/30.)	Passed Senate Approps Cmte 6-4 on 1/31, passed Senate 16-14 on 2/1 , sent to House on 2/1, failed in House 29-31 on 2/6 , passed House on reconsideration 31-28 on 2/13 , sent to Governor on 2/15, vetoed by Governor on 2/16
SB1525 Kavanagh	capital outlay; appropriations; 2023-2024	Would continue providing ADOT authorization for the expenditure of State Highway Fund revenues in FY24. Would make other adjustments including ADOT reporting requirements and would exempt state highway construction funding appropriated for FY23 from lapsing unless an appropriation remains unexpended or unencumbered for a full fiscal year. (Part of the package of "baseline" budget bills introduced by legislative leadership on 1/30.)	Passed Senate Approps Cmte 6-4 on 1/31, passed Senate 16-14 on 2/1 , sent to House on 2/1, passed House 31-27 on 2/13 , sent to Governor on 2/15, vetoed by Governor on 2/16
SB1535 Kavanagh	transportation; 2023-2024	Would prohibit state agencies and local governments from using HURF and State Highway Fund revenues for projects reducing the capacity for motor vehicle travel. Would revise various ADOT reporting requirements including the progress of improving MVD wait times and the turnaround time for vehicle registration renewals by mail. (One of the budget reconciliation bills, BRB's, needed to make substantive changes to the law associated with the funding levels provided in the core budget bills. Part of the package of "baseline" budget bills introduced by legislative leadership on 1/30.)	Passed Senate Approps Cmte 6-4 on 1/31, passed Senate 16-14 on 2/1 , sent to House on 2/1, passed House 31-27 on 2/13 , sent to Governor on 2/15, vetoed by Governor on 2/16
SB1561 Kaiser	appropriation; infrastructure grant program	Would appropriate \$30M from the State General Fund to the Arizona Commerce Authority to create and administer an Arizona Infrastructure Grant Program for nonprofit organizations based in Arizona.	Assigned to Senate Approps and Trans & Tech Cmtes on 2/1 - Awaiting cmte hearings

SB1586 Miranda	international trade; authority; transportation	Would establish the International Transportation and Trade Corridor Authority to remain in existence through July 1, 2028. Would have no tax or assessment authority. The Authority governing board would be appointed by the Governor, House Speaker and Senate President and would hire an Executive Director. Board membership is required to be geographically diverse. The Authority would be tasked with constructing, financing, furnishing, maintaining, improving, operating, marketing, and promoting the use of transportation and trade facilities. Would appropriate \$200,000 from the State General Fund to the Authority.	Assigned to Senate Gov't and Approps Cmtes on 2/2 - Awaiting cmte hearings - Identical to HB2605
SB1693 Epstein	government vehicles; electric; appropriation	Would require state agencies and political subdivisions to consider electric vehicles and long-term maintenance and fuel costs for the life of the vehicle when evaluating total costs for vehicle procurement decisions. Would authorize political subdivisions to apply to the Department of Administration for reimbursement for the difference between purchasing electric rather than fossil fuel-powered vehicles. The Department would be able to cap reimbursement levels and they would be provided on a first-come, first-serve basis. Would appropriate \$1M from the State General Fund for the reimbursement program.	Assigned to Senate Trans & Tech Cmte on 2/2 - Awaiting cmte hearing
SB1697 Hoffman	highways; bicycle paths, walkways; prohibition	Would prohibit ADOT from accepting federal funding for a highway or state route if it requires the design and construction of a bicycle path or pedestrian walkway as a component of that highway or route. Would prohibit ADOT from planning, designing or constructing bicycle paths or pedestrian walkways that are parallel and separate from a highway or state route.	Passed Senate Trans & Tech Cmte 4-3 on 2/13 - Ready for full Senate consideration - Scheduled for 2/28
SCM1001 Mendez	national infrastructure bank; urging Congress	Would urge Congress to enact a National Infrastructure Bank to finance infrastructure projects.	Assigned to Senate Finance Cmte on 2/2 - Awaiting cmte hearing

**RURAL TRANSPORTATION ADVOCACY COUNCIL
TRANSPORTATION BILL MATRIX
FEBRUARY 28, 2023**

SCR1018 Hoffman	prohibit tax; monitoring; vehicle mileage	Would place on the next general election ballot a measure to amend the Arizona Constitution to prohibit the State and local governments from monitoring or enacting taxes or fees based on vehicle miles traveled.	Passed Senate Trans & Tech Cmte 4-3 on 2/13 - Ready for full Senate consideration - Scheduled for 2/28
