AZ	Statewide	SMART Fund	ADOT administered program that would provide application support and local match funding for federal competitive grants. Funding would be limited to projects located in Greater Arizona. 40% would be reserved for counties, 40% to cities & towns, and 20% to ADOT for state projects located in Greater Arizona. Would enhance the ability of the State to secure additional federal transportation funding. Match requirements vary by federal program but the standard is \$4 federal dollars for every \$1 state/local dollar.	\$50,000,000
			<b>TOTAL COSTS:</b>	<b>\$449,266,308</b>
