Greetings CCUSD Families!

Culver City Unified School District (CCUSD) believes that no child in our community should go hungry or have food insecurities, especially on the weekends.

In conjunction with CCUSD and Council PTA, we run a weekly backpack program to ensure that every child can eat on the weekends. Each week, plain backpacks are filled with non-perishable food and snacks for needy children to take home anonymously over the weekend.

There is no cost to participate and enrollment is 100% confidential. If you would like your child to receive a backpack, please leave this form with the School Secretary in the front office of your school. Your child will be added to the list. When the program begins in September, your child will be called to the office at the end of school on Friday to pick up the backpack full of food. Your child must return the backpack to school by the following Tuesday so that we can refill it for Friday pick up. Enrollment is ongoing so any child in need can sign up for the program at any time throughout the school year.

You can sign up to receive a weekly backpack with the form below. Just drop it off at the school's front office. Please request a backpack for each Culver student in your family. Return the application to the school(s) they attend. We wish to provide each child with their own backpack.
