

Elementary Retreat, Nov. 7 (6:00 pm) - 9 (11:00 am), 2025 Registration List

Due to Rachel Mathews, rvmathews@livingriver.org, by Oct. 24, 2025

Because Living River doesn't have its full counselor staff during the school year, we need help from congregations to make sure there are enough volunteers to supervise children in the cabins. Registration forms for both children and adult volunteers are digital this year and can be found on Living River's website, allowing LR to manage everyone's health information responsibly. **Please direct families in your congregation to the website to register and coordinate payment for the retreat with them, as well as coordinate adult volunteers as able, informing LR if campers are coming from your church without an adult.**

- Encourage your church's families and children to invite friends who will also register through your church.
- Living River will enable children not affiliated with a congregation to register through our office.
- Recruit an adult chaperone of each gender (this can include yourself) if you're bringing campers of each gender.
- Recruit with the adult-to-kid ratio of 1:8 in mind.
- Please notify Living River (office@livingriver.org) if you're unable to recruit chaperones, and we'll work with you.
- Adult chaperones will sleep in cabins with campers. There may be campers that don't belong to your congregation in a chaperone's cabin.
- Adult chaperones need to have a background check through your congregation. If your congregation requires financial or administrative assistance with background checks, please notify Living River.
- There are child and adult registration forms available on Living River's website at www.livingriver.org.
- Living River will verify that every child and adult you have listed has filled out a registration form.
- The cost is \$130 per elementary camper and \$90 per adult chaperone.
- Limited scholarship funds are available on a need basis through Living River if a congregation cannot help a camper or adult attend.
- Living River will send an invoice to your congregation based on the information provided on your registration list. The invoice can be paid by check or PayPal. Please list the individuals who should receive the invoice for your church below (e.g., administrator, bookkeeper).

Church: _____

Name, Email, and Phone for Church's Retreat Point Person: _____

Name and Email for Person Receiving Church's Invoice: _____
