Dr. Serge Makolo, Director of IMCK, a Christian medical teaching.

The conference program will:

- welcome Congo speakers, Dr. Serge Makolo, Rev. Isaac Kalonji and Elder Monique Misenga
- welcome mission co-workers Jeff and Christi Boyd and Larry and Inge Sthresley
- welcome distinguished advocates for Congo, for economic initiatives and for leadership programs there.

Speakers will expound on ways to heal the wounds of war while laying foundations for peace and empowering women and youth.

Conference participants will meet in groups that address issues of evangelism, poverty alleviation and peace and justice.

Rev, Isaac Kalonji, President of Kinshasa Presbyterian Church (CPK), congregations in the Kinshasa region.

From CPK, Elder Monique Misenga Mukuna, who administers programs for women and families.

46% of Congo's population is under age 16. (demographicdividend.org)

Over five million people have died in conflicts in Congo in the past twenty years. The children of Congo bring promise and challenge. Our conference attendees seek ways to partner with Christian organizations in Congo to address the future of Congo. Come and join us.
