

Pulpit Announcement

Please join Faith in Action Alabama for its 2025 State Legislative Day, which will take place on Tuesday, April 1, from 9:00 a.m. until 2:30 p.m. On that day, at the Alabama State House, people of faith from throughout the state will advocate for four priorities:

- Increased state government funding for all Alabama public schools
- Medicaid Expansion
- Voting Rights
- Parole Reform

Faith in Action Alabama's State Legislative Day will begin with a prep session to ensure all are equipped to engage their state legislators. Following the prep session, we will meet with state legislators at the State House. In addition, we will have press conference. After that, we will have lunch, a debrief and discuss next steps with Faith in Action Alabama's state work.

Also, as we face many concerning developments at the national level, Faith in Action Alabama's April 1 State Legislative Day provides us with an unique opportunity to join with others across race and faith lines, from throughout Alabama, to honor the dignity of all of God's children.

By Tuesday, March 25 please register for Faith in Action Alabama's April State Legislative Day.
