

Dear Friends,

We warmly invite you — and the worship leaders, musicians, pastors, and artists you serve — to **Worship & Music 2026**, the flagship conference of the **Presbyterian Association of Musicians (PAM)**.

For generations, **Worship & Music has been the largest Presbyterian gathering in the United States**, bringing together people who care deeply about worship that is faithful, creative, grounded, and joy-filled. Last year alone, participants came from **19 denominations**, alongside Presbyterians from across the country — a testament to the conference's depth, hospitality, and ecumenical spirit.

This is a conference that truly reflects the church:

- **Intergenerational** — students, young adults, seasoned leaders, and retirees learning side by side
- **Rich in music and liturgy** — choral, instrumental, contemporary, traditional, and emerging expressions
- **Rooted in worship and theology**, with space for learning, creativity, and renewal
- **Joyful and communal** — full of singing, laughter, prayer, discovery, and connection for individuals and families alike

We would be grateful if you would:

- Consider attending yourself, **and**
- **Share this invitation** with pastors, church musicians, worship planners, students, and congregations in your presbytery or synod

Important note:

Early registration savings end January 31, 2026 — a meaningful incentive, especially for churches and individuals planning ahead.

With gratitude,
