Parking Rules

PVHS has a limited number of parking spaces available. All parking is on a first come first serve basis. Possession of a parking permit does not guarantee a parking space. We strongly recommend carpooling whenever possible. When the lots are full, you **MUST** park off campus. **DO NOT DOUBLE PARK OR BLOCK OTHER CARS IN THE LOTS. Those cars are subject to citation and towed at the owner's expense!**

You must have a parking pass to park on campus. Do not park in any assigned spot on campus. Any vehicle parked without authorization is subject to citation and towing. All visitors must check in with the Main Office and park in the spaces designated for visitors.

All STAFF parking spaces are reserved from 6:00am until 3:00pm. No students or parents are allowed to park in staff or reserved parking spaces or **in areas by the Gym** during these hours. You will be cited.

DO NOT PARK, AT ANY TIME, in the handicapped, bus zones, visitor spaces, emergency entrances, or any place that is NOT a designated parking spot.

Students who park in the handicapped spaces must have a valid handicapped placard and registration from the CA DMV displayed clearly in their vehicle with the current DATE showing. PVEPD can cite students who have been issued a placard but do not have it posted. Students also need to show proof of handicapped registration and placard to the School Nurse and administration.

All cars must be locked and windows closed.

Students may NOT go to their cars during the school day for any reason. Doing so may result in loss of permit and/or lunch detention.

Selling or sharing of parking permits is not allowed under any circumstances, and will result in loss of parking on campus privileges.

Any vehicle without a permit displayed will receive a citation from School Security or PVEPD. This includes permits that are not clearly visible.

If a student loses their permit, they will be charged a \$5.00 replacement fee.

The amount of a parking permit is \$20.00
