What is something unique or descriptive about your church?

In Jesus Christ, we are an intentionally transformational community; meeting people where they are, accepting them as they are, taking them by the hand and walking with them to where God wants us to be.

What is happening within the church that you are excited about?

We continue to see God transform the lives of hurting people through our compassionate ministries outreach.

What are one or two prayer needs within the church?

- Please pray for continued strength and compassion of those who are serving.
- Please pray for continued healing for those who are struggling with sin and addictions.
- Please pray for wisdom to move forward in ministry.
