COPELAND

COMPRESSOR OPERATION AND SERVICE SEMINAR C.O.S.S. TRAINING

Hands-on learning and practical knowledge that can help you build your business

This **intensive** and **in-depth three-day program** shows you how to adopt proper techniques and practices for the real-world environment with completely updated material and more emphasis on the latest technology. It includes overall system design, field service and troubleshooting skills, the latest Copeland™ compressor technology and applications, and a valuable failure analysis hands-on tear-down. Results include better customer service, more accurate diagnosis and more effective repairs to eliminate costly callbacks and increase technician productivity.

PLUS - EARN 24 NATE HOURS WITH YOUR ATTENDANCE!

LIMITED SEATING AVAILABLE

Investment: \$695 per person
