RESOURCES

CUSTOMER SERVICE

Our Customer Service Representatives (CSRs) are here to help. With a relentless approach to handling your issue, our CSRs are prepared with product knowledge, experience and empowerment to find solutions to your most troubling issues. No customer problem will go undetected or unresolved. We believe it is our responsibility to be a partner in your business success.

TECHNICAL SUPPORT

Our award-winning technical staff will address your questions and work to help solve your problems. This extends to a wide-range of issues including assistance with controls, diagnosing equipment problems, and troubleshooting installations. With the latest tools available, RSC Technical Support will be with you every step of the way until your problem is completely and efficiently solved.

TRAINING & EDUCATION

Knowledge is power, and our training staff offers courses to cover nearly every aspect of your business. From pricing and sales to operations and marketing, RSC has the training programming you need to efficiently run your business. Our team of highly recognized training personnel leads training programming for technical and service expertise. We also have aligned our Training Programming with the best organizations in our field.

SALES & MARKETING SUPPORT

Our sales team is driven to create success for each of their customers. They are here to assist you in your success, and help to ensure that you have the products you need to effectively run your business. Additionally, their rigorous training keeps them up to date on industry trends and new products, making sure you always have the best of what's available. Our marketing team is committed to helping you build an effective marketing strategy, developing creative assets, and providing you with the continued value your growing business requires.

SERVICES

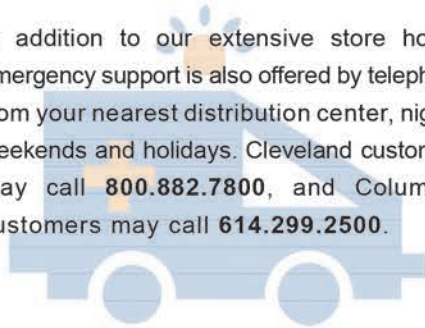

NEXT DAY DELIVERY

Next day delivery from our Distribution Centers enables you to deliver for your customers. Whether it's equipment, parts, or supplies - both residential and commercial - most in-stock items can be in your hands and on their way to your job the next day.

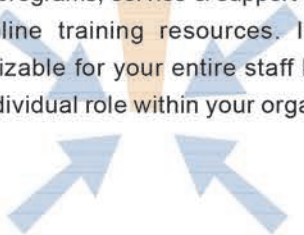

AFTER-HOURS & EMERGENCY SERVICES

In addition to our extensive store hours, emergency support is also offered by telephone from your nearest distribution center, nights, weekends and holidays. Cleveland customers may call **800.882.7800**, and Columbus customers may call **614.299.2500**.

HVAC PARTNERS

HVAC Dealers receive access to HVAC Partners, your online portal for the latest manufacturer news and communications to keep you constantly in contact. It contains a tremendous amount of resources - marketing tools & programs, service & support materials, and online training resources. It is fully customizable for your entire staff based on their individual role within your organization.

WHY TRAIN AT RSC?

AWARD WINNING + NATIONALLY RECOGNIZED INSTRUCTORS

RSC Instructors are NATE or AHRI Certified

Specialty Refrigeration Training Throughout The Year

Sheet Metal | EPA & NATE Testing | Gas Furnace & Air Conditioner / Heat Pump Focused Training
Assortment of Skills Training Courses

refrigerationsales.net/training

EXTENSIVE CURRICULUM

- Weekly classes with individual topics
- 12-week semester long programs

EPA REFRIGERANT CERTIFICATION + NATE TRAINING

Test sessions

3 LABS IN VALLEY VIEW

HVAC, Refrigeration & Sheet Metal

ALL SKILLS CLASSES

Qualify for State License, NATE Certification & CFAD Distributor Training Credit Hours, unless otherwise noted

EARN QUICKER STATE LICENSE CREDIT

3 hour classes vs. competitors' 2 hours
