

The Day You Made Me

Verse 1

You were my first friend
First to hold my hand
You kissed me on the cheek before my family

Pre ch1:

You wrote it on my heart
Before my life could start
You set it in stone
That you are my home
Ever since that day
My spirit has craved to see your face

Chorus:

You're not foreign to me
My innermost being
It knows who you are
For you made me with the stars
You're not foreign to me
My innermost being remembers the day
that you made me
Detailed and careful and purposed for divine
Intimacy
I was created to long for the man who made me
My innermost being remembers the day you made me

Verse 2

You are my best friend
Life with You is a dance
Your words are so sweet like honey to me

Pre ch 2:

You wrote it on my heart
Before my life could start
You set it in stone
That You are my home
Ever since that day
I've been dancing in the shade of Your wings

Chorus:

You're not foreign to me
My innermost being

It knows who you are
For you made me with the stars
You're not foreign to me
My innermost being remembers the day that You made me
Detailed and careful and gentle and purposed for divine intimacy

You knitted my body kneeled and yarn
Into your image to show who you are
Ever since that day
my spirit has craved to see your face

Inst.

Bridge:

Oh how I wish I could hear your laugh
Oh how I wish I could kiss you back
Oh how I wish I could see your eyes
Looking back at mine
Oh how I wish I could feel your skin
Oh how I wish I could see you grin
Oh how I wish I could know the mystery
Of your majesty
I want to know everything about you

Chorus 2:

You're not foreign to me
My innermost being
It knows who you are
For you made me with the stars

Ending

You wrote it on my heart
Before my life could start
You set it in stone
That you are my home
Ever since that day
My spirit has craved to see your face
I was created to long for the man who made me
My innermost being remembers the man who made me
