FOR IMMEDIATE RELEASE

VSCA / VINTAGE SNOWMOBILE MAGAZINE UNDER NEW OWNERSHIP

September 18, 2025

The Vintage Snowmobile Club of America / Vintage Snowmobile Magazine is under new ownership. Former and current Editor Mike Kohn of Kohn & Kohn, LLC will now be publishing the magazine after a deal was worked out with former publisher Mike Meagher, effective immediately.

A huge thank you to Mike Meagher for his great contributions to the VSCA and the magazine over the past decades. He will continue to be very active in snowmobile racing and the hobby in general.

Mr. Kohn and Mr. Meagher will be working very hard to make sure that the transition is seamless and smooth for subscribers. Mr. Kohn has many exciting plans for the organization going forward and hopes to bring subscribers the best possible experience for fans of old snowmobiles from any decade or era, whether they be family trail machines, race machines or any other variant.

“Some folks tend to categorize machines into ‘Antique’, ‘Classic’ and ‘Vintage’. ‘Vintage’ may be in our name but to me, they’re all just old snowmobiles and I love every one of them”, said Kohn.

The Vintage Snowmobile Club of America was founded in 1987 by former Mercury racer Gary Webster. Mr. Kohn was Editor of what was then the club’s newsletter from 1994-1999 and President of the club from 1997-99. The newsletter morphed into a magazine in the early 2000’s. Mr. Meagher has published it since 2004. Mr. Kohn returned as Editor in 2023 after a long absence from the hobby.

Vintage Snowmobile Magazine is published quarterly, with issues in March, June, September and December. You can find the VSCA on Facebook or at www.vsca.com.
