

Latest Sector Skills Training Courses with DEAP Funded through ILA

Construction Trades

Are you interested in working within the construction trades? Do you need support in gaining the relevant skills to help you? If the answer is yes, then give us a call.

Our course can help you achieve the required Health, Safety and Environment course, and CSCS training and test. Passing both tests is a key requirement for obtaining your construction industry scheme card.

If you are eligible for ILA, the course will be fully funded, including the cost of your green card when you pass. Access to training and tests are flexible to suit your needs.

Care Sector

Interested in working in the Care Sector- Our wide range of online accredited training opportunities, will help you improve your skills and knowledge and improve your chances of gaining employment in this sector. You can choose from a wide range of course, ranging from Moving and Handling, Person Centred Care, Hand Hygiene and many more. All courses are fully funded by ILA

DEAP staff are happy to help you check your eligibility for funding, and support you with your funding application. Alternatively use the link below to access the ILA site.
