

Believe in the magic of Christmas

CHRISTMAS GIVING 2020
ANGELS, FRIENDS AND FAMILY

THANK YOU FOR PUTTING MAGIC IN THE LIVES OF CHILDREN WHO NEED ANGELS IN THEIR LIVES!

Dear Angels and Friends, this year has been a challenging year for our entire country and world! When the COVID pandemic hit our country, it was devastating creating a domino effect of obstacles and challenges we had never faced before. The Angels believe in **HOPE** and **FAITH** to get us through these times and our concentration is on the children and families who have suffered the most. We have all been tested this year, and there were some dark moments where we did not see a lot of hope, but when we all pull together as one, there are no limits to what we can accomplish. As we move towards the end of 2020, we want to draw on that strength that is inside each of us and make a difference like never in the lives of these children who depend on us for **HOPE for a better tomorrow**. As we await the wish list from our community partners who are working with the Angels to put smiles on as many faces as we can this Christmas, we are looking to each of you for a helping hand to make this Magic happen. Whether it is adopting a child or two, or a family in need who has nothing but **HOPE** to start their day, we did it! Our *"Believe in the Magic of Christmas Theme"* has put smiles on the faces of so many children's faces Christmas morning, and this year and has been no exception despite COVID. Thanks to the generous hearts of individuals, organizations and businesses throughout our community, Christmas morning will be special for over 300+ children and the list is still growing as of this writing! The Angels are truly blessed, and it is thanks to **YOU** and your giving hearts.

I would like to thank all of those you participated in giving this year. Thank you for your kindness and generosity for giving light to some of these children's darkest days and putting **Magic in their lives**, if only for Christmas Day! The Angels want every child they advocate for to feel **Hope, Joy** and **Believe** that all things are possible when Angels are watching over them and there are Angels who care. Our ability to accomplish this is only thanks to each of **YOU** and your generous hearts!

God bless each of you and thank you for all you do! Merry Christmas!
