THE ANGELS ARE ON *PAUSE* FOR THE BLUE RIBBON GALA UNTIL 2027
A BIG HELLO TO ALL OF OUR ANGELS, FRIENDS, FAMILIES, DONORS, AND NEW ANGELS!

The Angels are taking a PAUSE so we can make room for a GRAND APPLAUSE for our 20th Year Anniversary Celebration in **2027. SATURDAY, APRIL 17TH 2027 A NIGHT TO REMEMBER**!

Angels Against Abuse had an eventful 2025, including our Annual Child Advocacy Expo in August, the Angel Fashion Show in October, and our Christmas Giving Celebration for over 250 children in November and December. The holiday event was especially meaningful this year with heartfelt tributes following the recent loss of my mother, who cherished this tradition.

Our team and donors need time to recharge, and with our Gala scheduled for March 7th, 2026, it is not feasible to organize such a large-scale successful event so soon. The Gala is typically our main fundraiser, supporting vital community programs. After several years of adjusting dates due to COVID and hurricanes, we are excited to return to April—National Child Abuse Month—in 2027. Our 20th Anniversary Gala will be held on Saturday, April 17th, 2027, and promises to be a memorable celebration of two decades serving children and families.

While not hosting the 2026 Gala poses fundraising challenges, we welcome support from sponsors and donors in lieu of the Gala this year, but understand if contributions aren't possible. We are so grateful for our long-term supporters. Without you, we could not do what we do. Thank you to all of our newcomers. We are so grateful for your interest, time and financial support. We encourage you to come to our monthly meetings where you will learn more about our community involvement and partnerships. Please mark your calendar for our 20th Anniversary and stay connected through our monthly newsletters and meetings. If you are not receiving our newsletters, please email me your contact information and I will get you added to our mailing list.

Thank you for believing in our mission. You are the reason we are able to do what we do!
