Dear Sandy and all of the volunteers of Angels Against Abuse,

I want to take this opportunity to thank you for showing your continued support and commitment to Directions for Living. It is the amazing generosity that donors like Angels Against Abuse demonstrate that help make the work we do for children and families possible.

Your donation of the strollers, backpacks, booster seats, infant/toddler supplies, toiletries, and clothing, assist us in upholding the mission and values that serve as cornerstones for our work. Though our need is considerable, we aim to restore hope for the vulnerable populations we serve through the donations we receive. Your generosity will provide an immediate benefit to our children and families by helping us make sure their basic needs for safety, hygiene, and nutrition are met.

On behalf of the staff, Board of Directors, and clients who benefit from your kindness, thank you again for your contribution and sustained support of our agency as we continue to serve more than 21,000 children and families throughout the Tampa Bay area each year while working toward our vision of *Thriving children. Empowered adults. Strong families.*

Sincerely,
