**The Mad Hatter Tea Party is an “unbirthday” party
serving approximately 300
underserved children and their families in the Pinellas
County community. The party provides an
opportunity for these children to experience a
community “unbirthday” party and leave with a
backpack grab bag filled with school supplies in
advance of the 2023-2024 school year.**

**We are seeking business partners to make this day
extra special. Can you financially sponsor a child or
ten? Can your business supply food, prizes, or school
supplies? We appreciate your support. All partners will
be displayed at the Mad Hatter Tea Parties.**
